ACKNOWLEDGMENT

The writer wishes to convey his sincere thanks and gratefulness to the following for their contributions toward the realization and completion of this thesis:

To Dr. Peter G. Gowing, Director of the Dansalan Research Center and writer's adviser, for his persistent guidance and unselfish review, suggestions and criticisms of the thesis;

To Prof. Eulalio G. Maturan, President of the Dansalan College Foundation, Inc., for his helpful suggestions in the preparation of the research proposal;

To Mamaroba Guba, Primo Salivio and Medarda Balistoy, of the DRC staff, for their innumerable help extended to the writer in the data gathering and reproduction of this study;

To the writer's RITP colleagues for the most unusual and productive years of association;

To the Philippine Social Science Council, Inc., (PSSC) for the financial assistance extended toward the completion of this thesis; and

Finally, to the writer's wife, Noly L. Dumarpa, for making up for the writer's long absences. To her and the kids, Allan and Jasmine, this piece of work is dedicated.
