## A C K N O W L E D G M E N T

With a sincere heart I give my heartfelt thanks to all who, in one way or another, have contributed to the formation of this thesis, especially to my adviser, Dr. Lourdes Reynes Quisumbing, Ph. D., for her salutary advice and encouragements; to Father Rudolph Rahman for designing the appropriate title to this thesis; to Dr. Gertrudes Ang, Ph. D. for her unfailing reminders on the progress of this thesis; and to all library personnel who have courteously rendered their services.

Special mention is also given to my professors, Father Joseph Goertz and Father Joseph Watzlawik for their priceless instructions and inspiration.
