

UNIVERSITY OF SAN CARLOS
THE LIBRARY SYSTEM
Name of the Library

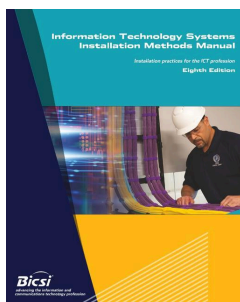

New Acquisitions List School of Engineering

2nd Semester
A.Y. 2025-2026

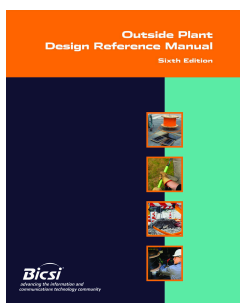

Science and Technology

Location: Third Floor

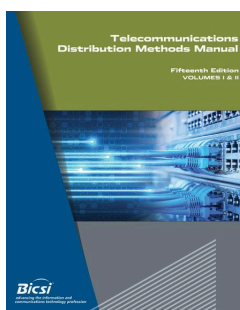

Information technology systems installation methods manual.
(2022). (8th ed.). BICSI World Headquarters.

[621.382 In34]

Outside plant design reference manual. (2018). (6th ed.). BICSI World Headquarters.

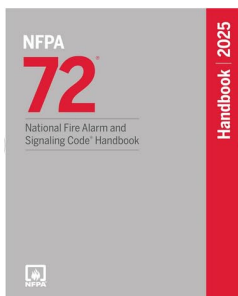

[621.382 On89]

Telecommunications distribution methods manual.(2024). (15th ed.). BICSI World Headquarters.

[621.382 T23]

**Note: Click the citation/call number for more details about the book.*

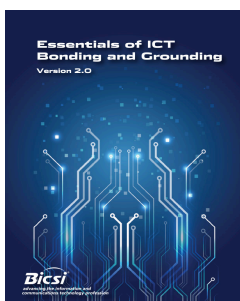

National Fire Protection Association. (2024). *NFPA 72: National fire alarm and signaling code*. (2025 ed.). National Fire Protection Association.

[628.92 N21]

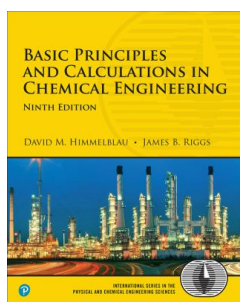

Essentials of data center projects. (2024). (2nd ed.). BICSI.

[005.74 Es74]

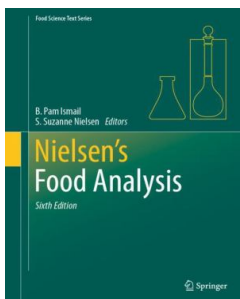

Essentials of ICT bonding and grounding: version 2.0. (2022). BICSI.

[621.317 Es74]

Himmelblau, D. M. (2023). *Basic principles and calculations in chemical engineering*. (9th ed.). Pearson.

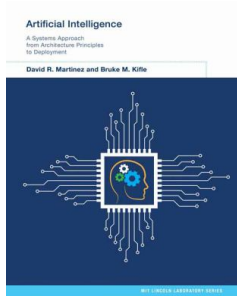

[660.2 H57]

Esmail, B. P., & Nielsen, S. S. (Eds.). (2024). *Nielsen's food analysis*. (6th ed.). Springer.

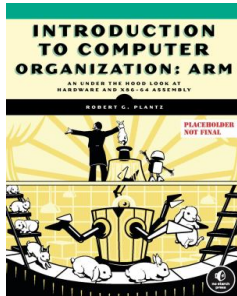

[664.07 N55]

**Note: Click the citation/call number for more details about the book.*

Martinez, D.& Kifle, B. M. (2024). *Artificial intelligence: a systems approach from architecture principles to deployment*. The MIT Press.

[006.3 M36]

Plantz, R. G. (2025). *Introduction to computer organization: ARM*. No Starch Press, Inc.

[004.22 P69]

Telecommunications Industry Association (TIA) (2024). *Telecommunications bonding and grounding (earthing) for customer premises*. Telecommunications Industry Association.

[621.3192 T23]

Telecommunications Industry Association (TIA). (2020). *Commercial building telecommunications infrastructure standard*. Telecommunications Industry Association.

[621.3821 T23]

Telecommunications Industry Association (TIA). (2020). *Generic telecommunications cabling for customer premises*. Telecommunications Industry Association.

[621.382 T23]

**Note: Click the citation/call number for more details about the book.*

Telecommunications Industry Association (TIA). (2022). *Balanced single twisted-pair telecommunications cabling and components standards*. Telecommunications Industry Association.

[621.3821 T23]

Telecommunications Industry Association (TIA). (2022). *Broadband coaxial cabling and components standard*. Telecommunications Industry Association.

[621.3821 T23]

Telecommunications Industry Association (TIA). (2022). *Generic telecommunications cabling for customer premises addendum 1: balanced single twisted-pair cabling*. Telecommunications Industry Association.

[621.3821 T23]

Telecommunications Industry Association (TIA). (2022). *Optical fiber cabling and components standard*. Telecommunications Industry Association.

[621.3827 T23]

Telecommunications Industry Association (TIA). (2023). *Commercial building telecommunications infrastructure standard addendum 1: Balanced single twisted-pair cabling; cabling requirements for wireless access points*. Telecommunications Industry Association.

[621.3821 T23]

**Note: Click the citation/call number for more details about the book.*

Telecommunications Industry Association (TIA). (2024). *Balanced twisted-pair telecommunications cabling and components standard-addendum 1: technical corrections to transmission requirements*. Telecommunications Industry Association.

[621.3821 T23]

Telecommunications Industry Association (TIA). (2024). *Balanced twisted-pair telecommunications cabling and components standards*. Telecommunications Industry Association.

[621.3821 T23]

Telecommunications Industry Association (TIA). (2024). *Telecommunications infrastructure standard for data centers*. Telecommunications Industry Association.

[004.6 T23]
